The scheme will consist of the following provisions:—

**1. Objective:**

The main objective of the Critical Infrastructure Development scheme is to create/ upgrade infrastructure facilities in a new/ existing industries occupied areas in conforming zones. The scheme aims at providing facilitation to the entrepreneurs to work in a congenial atmosphere with adequate provision of infrastructure. Infrastructure development projects under the scheme will consist of projects for providing infrastructure facilities like water, drainage and sewerage, setting up of Effluent Treatment Plant (ETP) and other pollution control remedies, roads, raw material banks and common service facilities, technology services backup for MSEs in the new / existing industries occupied areas in the conforming zones.

**2. Eligibility Conditions:**

- 2.1. Grant can be availed by industrial associations, industrial clusters with a minimum membership of 50 operating units. Smaller groups can however, be considered for financial assistance keeping in view the merits of each case. However, their number should not be less than 30.
- 2.2. The location selected should be approved by the department of Environment.
- 2.3. The infrastructure created shall not involve public inconvenience and shall have necessary permissions from competent authority.
- 2.4. There shall be an unambiguous revenue generation plan that shall ensure maintenance of critical infrastructure in a self-sustaining manner.
- 2.5. The requisite land for creating infrastructure shall have to be arranged by SPV from their own resources. However, in case of availability of public land, due permissions from the relevant authorities are essential.

**3. Maximum amount of grant-in-aid:**

The financial assistance/ grant-in-aid @ 80% shall be allowed on the cost of project of Rs. 2.00 crores. The SPV shall have to contribute 20% of the cost of project from their own resources. The cost of project would include the cost of infrastructure only and no preliminary and pre-operative expenses of any kind shall be considered.

**4. Procedure of availing grant-in-aid:**

- 4.1. It is necessary to form an SPV at the time of submission preliminary application on the prescribed Proforma at Appendix-A on E-biz portal of the department. The SPV shall consist of members who fall under the definition of 'Micro and Small enterprises'. The member units should have filed EM PART-2 with the concerned DIC. The SPV should have a character of inclusiveness wherein provision for enrolling new members to enable prospective entrepreneurs in the cluster should be

provided. In addition to the contributing members of the SPV, the organizers should obtain written commitments from 'users' of the proposed facilities, so that its benefits can be further enlarged. By-laws of SPV should have provisions for one State Govt. official as member of the SPV.

- 4.2. The share of the cluster beneficiaries should not be less than 20 per cent of the total cost of project. State Government contribution will be considered as gap funding. All the participating units should be independent in terms of their financial stakes and management. No single unit will hold more than 10 percent in the equity capital (or equivalent capital contribution) of the SPV.
- 4.3. The project with a cost higher than Rs. 2.00 crore can also be considered. However, the State grant will be calculated with project cost ceiling of Rs. 2.00 crore.

## Order

The 15th January, 2016

**No. SEC/2E-II/1044.**—Whereas a civil writ petition No. 27588 of 2015 was filed by Rasid & another in the Hon'ble Punjab and Haryana High Court, Chandigarh in which it was prayed to set up the polling booths at Miyanwali Chaupal in Village Kot-Mithaka, 82, Hathin Assembly Constituency, District Palwal as provided in the last General Election to Legislative Assembly of Haryana held in year 2014.

2. Whereas the Hon'ble Punjab and Haryana High Court has disposed the said writ petition on dated 29.12.2015 with the following order:-

“On due consideration, we would not like to interfere in this issue as these are matters purely in the administrative domain and since the petitioners have already made a representation to the Competent Authority, we would deem it appropriate to dispose of this petition with a direction to respondent No. 1 to look into the grievance of the petitioners as contained in the representation and take an appropriate decision thereon”.

3. Whereas, a copy of the writ petition along with the above said order was send to the Deputy Commissioner-cum-District Election Officer (Panchayat), Palwal *vide* Commission's letter No. SEC/2E-II/2015/11781, dated 31.12.2015 with the request to send para wise comments to the Commission by 01.01.2016 at 3.00 P.M. positively. The Deputy Commissioner-cum-District Election Officer (Panchayat), Palwal has send report *vide* its memo No.5037/P, dated 13.01.2016.

4. Whereas, on perusal of report of the Deputy Commissioner-cum-District Election Officer (Panchayat), Palwal it is revealed that the Returning Officer (Panchayat Samiti)-cum- Sub Divisional Officer (Civil) has formed a committee of three official i.e. Naib Tehsildar, Hathin, Social Education and Panchayat Officer and the Gram Sachiv concerned for inspection of Miyanwali B.C. Chaupal of Village Kot. On perusal of report of the committee it has been found that Smt. Hasina is living with her family in the said Chaupal and fuel wood for cooking meal is lying there and in addition to this there is no toilet, no electricity and walls of the Chaupal were constructed with sand and may fall at any time and found the building unfit for setting up of polling booth. The committee also inspected the Harijan Chaupal and found that Smt. Batto W/o Sh.Sukhan with her family is residing in that Chaupal. There is ration depot and anganwari kendra in the building. There is no electricity and no toilet and the building is situated adjacent to the residences. The Deputy Commissioner-cum- District Election Officer, Palwal recommend to shift the existing polling booth No.138 (ward No.19-20) from left side of Government Primary School, Kot, to Government Primary School, Mithaka.

5. Whereas, the provision of polling stations are provided in rule 20 the Haryana Panchayati Raj Election Rules, 1994 the same are given as under:

**“20. Polling Station—**The District Election Officer (Panchayat) shall provide sufficient number of polling stations for every election under these rules and shall, not later than twenty days before the date of poll, publish a list, and affix a copy of such list on the notice board of the office of the Deputy Commissioner, Additional Deputy Commissioner, Zila Parishad, Sub-Divisional Officer (Civil), Block Development and Panchayat Officer, Panchayat Samiti and the Gram Panchayat concerned and at conspicuous place within the sabha area concerned, showing the polling station, the areas for which they will be set up and the description of the office(s) for which votes shall be cast in the polling station.”

6. Whereas the Commission has also issued detail guide-lines for setting up of the polling stations *vide* its letter No.SEC/4E-II/2014/2368-88 dated 8.09.2014 according to which while setting up the polling stations following guidelines be considered in latter and spirit :-

- (i) In order to facilitate the setting up of polling stations the District Election Officer (Panchayat) shall obtain from the Election Tehsildar the list of the polling stations set up for the elections of Lok Sabha and Legislative Assembly and if practically possible, adopt the same.
- (ii) In each Gram Panchayat there should be at least one or two polling stations. However in certain Gram Panchayats, the number of polling stations may be up to three or more.
- (iii) It shall be ensured that whole part of the ward comes under the one polling station and not under two or more polling stations.
- (iv) As far as practicable, the polling stations should be established for 500 voters. However, in exceptional cases such number may exceed to avoid the break-up of any ward.
- (v) As far as practicable, a separate polling station may be set up in colonies predominantly inhabited by the Scheduled Castes (SC) and weaker sections of the society even though the number of voters is less than 500.
- (vi) The actual site of each polling station should be selected in advance in order to make the polling station to satisfy the legal requirements and practical convenience.
- (vii) The polling stations should generally be in Government Schools, Government Aided Schools, Government Institutions, Government Aided Institutions, buildings of Government offices/semi Government offices, Chaupals (Community Centers), Gram Panchayat offices/Municipal offices (where applicable) etc:

Provided that in case, the aforesaid offices or buildings are not available, the polling stations may be established in private buildings or dharmshalas after obtaining the written consent from the owner or management of that building. However, it should be ensured that there is no connection of contested candidate or his relatives or the member of management of the said building:

Provided further that the member of management of the said building does not have any affiliation with a political party:

Provided further that no polling station should be established in the religious buildings, hospitals, maternity homes and such like buildings and near liquor vend.

- (viii) While establishing the polling stations, it shall be ensured that, -

- (a) the rooms in the polling station are with proper windows, ventilation and space;
- (b) there is enough space for the voters to wait outside;
- (c) there is separate waiting space for men and women as far as practicable;
- (d) the polling stations preferably should have separate entrance and exit for voters;

- (e) there shall be easy flow of voters from the time they enter the polling station to the time they leave it and there is no criss-cross movement within the polling station;
- (f) the polling booths should be set up at the ground floor of the building;
- (g) proper arrangement of ramps should be made at the polling stations to enable physically handicapped persons to use their wheel chairs to go into the polling station;
- (h) there should be adequate arrangement of drinking water and toilet facility at each Polling Station; and
- (i) the inside of the voting compartment is sufficiently lighted. If voting compartments are not properly lighted, adequate arrangement should be made for the same.

7. Now, in view of the above and the report of Deputy Commissioner-cum-District Election Officer (Panchayat) Palwal, I am of the of considered view that the request of the petitioners for setting up of polling booth in Miyanawali Chaupal and Harijan Chaupal in panchayat election cannot be accepted as the buildings of the said Chaupals do not fulfill the criteria for setting up of polling booth. The Commission also approves the proposal of the Deputy Commissioner-cum-District Election Officer (Panchayat), Palwal for shifting of existing polling booth No.138 (ward No.19-20) from left side of Government Primary School, Kot, to Government Primary School, Mithaka, in public interest.

Accordingly the representation is disposed.
